

How to Access a Plat of Your Property Using the GIS Interactive Map

Our GIS Interactive Map offers plats online for most properties. Please note that our office may not have a plat available for some parcels using this search method. You can contact Charles County Land Records at 301-932-3201

Step 1: Visit <u>https://www.charlescountymd.gov/government/planning-and-growth-management/mapping-services</u>

Step 2: Click on GIS Interactive Map

Government » Planning and Growth Management »

Step 3: The system will take a minute to load. Once it does, you will need to agree to the terms and conditions and then click OK

Step 4: In the Search Address box, type in the address you wish to search for and then click the magnify glass. The system should take you to the address you are searching for.

Step 5: Click on the parcel so the blue outline appears, and a box should pop up as pictured below. You need to click on the blue hyperlink that says *More Info* next to PLATWEBADR
