Regarding the Charitable Trust: The Charitable Trust was set up to take the burden of doling out grants off the Board of County Commissioners and onto an independent Board of Directors. This makes sense as no commissioner can be accused of favoritism and no commissioner will be caught in the middle between an improperly filled out request form and a friend who wanted a grant but was refused which is why the Charitable Trust was brought into existence in the first place. Throw in the fiasco caused by unemployed CC citizens due to COVID-19; the chance that many small businesses may never reopen and you five will have your hands full along with many who might need the help of the Charitable Trust. Please provide the funds they need to operate.
