County Commissioner,

I am an elementary teacher in Charles County. I am grateful that I am continuing to get a paycheck when so many others aren't right now. I'm not worried about whether or not the CCPS budget can be fully funded or not. Please continue to do the business of the county so that as many people can get paychecks as possible. I'll continue to do my part to make sure that the students of Charles County receive the best education possible, no matter the outcome of the budget session.

Thank you,
Nicholas Gardiner
