I am an elementary teacher in Charles County. I am grateful to get a paycheck when so many aren't right now. I'm not worried about whether or not the CCPS budget can be fully funded. Please continue to do the business of the county so that as many people can get paychecks as possible. I'll continue to do my part to make sure the students of Charles County receive the best education possible, no matter the outcome of the budget session. Thank you.
