County Commissioner,

Good afternoon,

My name is Cindy and this is my 28th year of teaching. I teach in Charles Country and am currently teaching 2nd grade at Dr. Mudd Elementary School in Waldorf. I am also a resident of Charles County and have 2 children who have graduated from CCPS and one more who is a a sophomore at North Point High School, so I have a double interest in county matters. My own 3 children and my school children deserve the best and need it now. My youngest son only has 2 more years with CCPS, but I intend to stick around longer as a teacher. Please fund the superintendent's budget for all of our children.

The Board of County Commissioners has historically provided solid funding for the students and employees of the Charles County Public School system, and I'm appreciative that my commitment to a quality education for every child is echoed by our elected officials. As an educator, having the resources I need to effectively do my job ensures that every student in our community can be a success.

To continue that vision together, I ask that you fully fund the Superintendent's budget request for the upcoming fiscal year. Now, more than ever, we've seen the impact that public education has on our community, and we need to make sure that every resource is at our disposal to maximize the education and services we provide to the students and residents of Charles County.

I know that the current times are challenging for many, but I also know that the longer-term vision of what Charles County is, and can be, is important in moving through – and beyond – the current crisis. We start to fulfill a positive vision, together, when we put resources where

they are most needed. Fully fund CCPS to show that you, too, are for our students.

Thank you for you continued support for education!
