County Commissioner,

My name is Kathy Reamy and I am a School Counselor at La Plata High School. I am a 14 year veteran of Charles County Public Schools and have been the School Counselor to thousands of Charles County students over the years. I can say without a doubt, now more than ever, our children need your support....as do I. We need to provide more social and emotional support for our students and that means more resources. I need these resources to effectively do my job, which in turn ensures that every student succeeds. I'm asking you to vote to fully fund the Superintendent's budget request for the upcoming fiscal year. Our students, the future of Charles County, deserve it! Don't you think?
