County Commissioner,

My name is Kimberly Daniel, I am a home owner, tax payer and science teacher for Charles County Public Schools. I raised and sent both of my sons to CCPS. They are now grown, working and tax payers, as well.

The Board of County Commissioners has historically provided solid funding for the students and employees of the Charles County Public School system, and I'm appreciative that my commitment to a quality education for every child is echoed by our elected officials. As an educator, having the resources I need to effectively do my job ensures that every student in our community can be a success.

To continue that vision together, I ask that you fully fund the Superintendent's budget request for the upcoming fiscal year. Now, more than ever, we've seen the impact that public education has on our community, and we need to make sure that every resource is at our disposal to maximize the education and services we provide to the students and residents of Charles County.

I want to thank each and every Commissioner for the wonderful job you have done and continue to do for our public schools. I know these are extraordinary times we are living through right now but I need to implore you to do the right thing and fully fund the school budget for this year.

I know that the current times are challenging for many, but I also know that the longer-term vision of what Charles County is, and can be, is important in moving through – and beyond – the current crisis. We start to fulfill a positive vision, together, when we put resources where

they are most needed. Fully fund CCPS to show that you, too, are for our students.
