

STORMWATER MANAGEMENT FACILITIES
CONSTRUCTION COMPLETION “AS-BUILT” CERTIFICATION

I _____, hereby certify that I have personally performed a site visit, prior to May 4, 2017, to confirm the full completion of the Stormwater Management Facilities that were approved under the Administrative Waiver AW-___ for this project. I also certify that the Stormwater Management Facilities as shown on the approved plans and individually identified below, as well as on the attached “Notice of Construction Completion” form, have been constructed and completed in accordance with the associated Development Services Plans that were issued under PGM Number # V _____ and as further noted, under my direct supervision, on the “STORMWATER MANAGEMENT FACILITIES AS BUILT” drawings dated _____.

I also hereby certify that my red-noted exceptions, as shown / listed on the Stormwater Management Facilities As-Built drawings, reflect a complete listing of the differences between the approved design and the constructed facilities, and furthermore, it is my Professional Opinion that these noted exceptions / differences, do not adversely affect the approved design intent and/or the intended long term performance of the Stormwater Management Facilities.

Stormwater Management Facility Identification List*

* Same numbering as used on the attached Notice of Construction Completion form.

Printed Name	Signature
Date: _____	Seal & Certification:
Maryland P.E. Registration Number	

“Certify” means to state or declare a professional opinion based on sufficient review, evaluation and/or inspections.
