Amendments to the Adequate Public Facilities Ordinance and Adequate Public Facilities
Manual

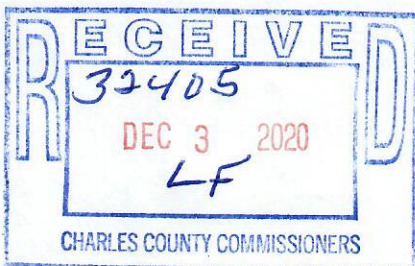

Dear Charles County Commissioners,

I am writing in support of the proposed changes to the Adequate Public Facilities Ordinance and Manual that will allow the building of more affordable housing options in the County. More housing options are critical to the growth of the county and will serve as the backbone to a growing middle class. This amendment still very much limits development because of the requirements that must be met to be exempt.

Respectfully,

Patrick Absher
