Zoning Text Amendment Letter

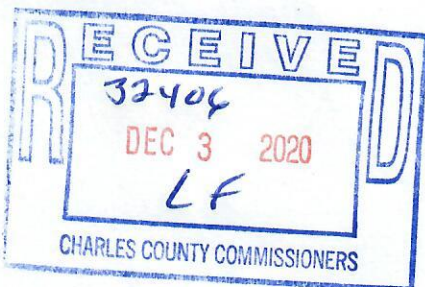

Dear Charles County Commissioners,

I am writing in support of the zoning text amendment regarding the APFO manual and new, affordable housing in the county. I believe that if we do not address housing for the forgotten middle class in the county, we will continue to see a further divide. The working middle class is crucial to the Charles County economy and we must make sure there are housing options for us in the future. This ZTA still keeps the school seat situation under control while allowing for growth where it is intended in the county.

Sincerely,

Richard Walker
