As one of the owners of Serenity Farm, I am asking for your support of ZTA #20-156 Agriculture Related Uses. This proposal would allow Charles County to join 10 other Maryland counties and opt-in to legislation allowing certain agritourism buildings exemptions from selected building codes. ZTA #20-156 will benefit Charles County with increased revenue and tax base by enhancing the marketability of our area as a tourist destination and increase farm viability and visibility. It will facilitate additional opportunities and assist hardworking farmers in making a living from their land. The exemption poses no public safety risk. Thank you for the opportunity to present our support for ZTA #20-156.
