Dear Commissioners, My name is Megan Moore. I am a lifetime resident of Charles County, a mother of three, and part-time hairdresser. Additionally, because of COVID-19, I now homeschool two of my children. I am writing this letter in support of ZTA #20-156. If passed, this revision to the zoning ordinance would greatly benefit my business and family. To be able to do hair in an area of my home would allow me to earn an income while still caring for my children without incurring the expense of childcare (or potential risks associated with childcare because of COVID-19). In short, this amendment would allow me the flexibility to contribute more to my household income, while continuing to provide care and education for my children. I strongly support this amendment and urge its passing. Thank you for your consideration, and for all you do. Sincerely, Megan M. Moore
