It would be greatly vital to the youth of this county to have Turf fields to play on. They are at a disadvantage against teams from other regions b/c they don't get to practice on turf. These kids and their families are traveling AND spending money outside of our county to play on Turf fields. It would benefit a wide array of sports as well, not just one but multiple! Please don't dismiss the importance of keeping money in the budget for turf fields! Your time and consideration is greatly appreciated.
