Youth athletes in Charles County have lagged behind long enough with regards to facilities and playing surfaces. Most of the teams they play against in all other leagues practice and play on turf fields and it gives them a distinct advantage against the Charles county teams. Also, with St Mary's county now having multiple turf fields, Charles county is losing money when many of their teams are now traveling out of the county to play and while they are there, they are going to eat and do their shopping somewhere nearby in St Mary's county.
