I am contacting your committee regarding my recent awareness of Inheritable rights of land in your county. As Regent of Plum Tree Memory family members I have asserted my authority and their rights to the County of Charles, Maryland specifically, that of Pope's Creek. Land that belonged to Augustine Washington Senior of whom I am descended from and also his son Augustine Washington, Junior. Augustine Washington Junior is stated to not have relinquished Pope's Creek to his brother, George Washington. I am requesting you postpone this meeting for redistricting of this county, Charles County, Maryland. As Regent of Plum Tree Memory, I am claiming eminent domain.
