My daughter and I recently kayaked on the Mattawoman amid the water lilies, eagles, egrets, bats, great blue herons, fishermen and other kayakers. This is a very special place and would be seriously degraded by this airport with its increased noise and polluted air and water runoff from the increased impervious surfaces. We need to preserve this part of the Chesapeake watershed, not degrade it. The bay needs the Mattawoman to remain as pristine as possible. Please vote against this plan. Thank you.
