I am against expanding the airport. The Mattawoman Creek is an important tributary in our area and rezoning this will create harm to our county. It would further degrade Mattawoman Creek and be a critical, unacceptable impact on the fish nursery which is at the tipping point for irreparable damage. Additionally, having more planes including potentially jets fly that close to our schools will have a negative impact on the students at Henson and Parks. My daughter attended Henson and already said the planes could be heard, I don't want my grandson who attends Parks currently to not be able to concentrate in schools because of more plane traffic to the private airport. Please do not allow this rezoning.
