Our daughter has been going to Discovery Lane for almost a year. In the last year we have seen her truly blossom. She can't wait to go to school and see her friends. Discovery Lane offers affordable, attentive care that is close to home. When I needed childcare after I got a job, Discovery Lane was one of the only places nearby to even take my calls. They were there when I needed them and continue to be there for my family. I am so grateful they are there and honestly don't know what public childcare options would be available to my 3-year-old. I would love to continue to send my child there as long as possible and fully support allowing private schools within the Waldorf, Charles County zoning area.
