We need to keep the Airport a viable asset for the county. Let the land around the airport be zoned to support the airport activities. The land around the airport isn't good for residential or anything else. Make that land useful so it saves the airport and generates needed tax revenue. Allowing the airport the land it needs to function and thrive supports ALL the county, with improved transportation, more tax revenue, more reasons other businesses might locate here, and most of all JOBS, JOBS, JOBS, something everyone can understand.
