I oppose the amendment to remove the Watershed Conservation District designation from around the airport. We need to protect Mattawoman Creek from irreversible decline and the WCD is needed to accomplish that. The expansion of the airport will bring pollution and noise to our area. We need to think of the health of our schoolchildren so close. We need to think of the bass fishing habitat. We need think of climate change, wildlife corridors, airplane fossil fuel footprint. I need to think of my clients who bring their pets to stay with me and the feeling of country which eases their sense of guilt leaving them. I live where I work not like the private out-of-county owner whose interest is not in our local community. Save the Creek and Save the Community.
