This airport expansion will disrupt the air quality and water quality for my family, as well as the three families across the street who also have small children. The noise pollution alone is enough to ruin any chance of a normal residential lifestyle. Our property adjoins the airport land, but the other families have been here for generations on Pomfret Road near Livingston Road. It is unfair and greedy to disregard our lives and homesteads for the sake of financial gain of some business entities. I'll also point out that we are all people of color and that fact isn't lost on us.
