Discovery Lane deserves to be a non-public organization because they have a genuine love and care for children. It is important to give parents variety when picking education for their children. As a Charles County resident, a mother and a current employee of Discovery Lane I can not stress enough the importance to make a decision today to approve of this school. DL is truly for the community, they not only help encourage children grow and develop but their employees as well including myself! Proper and good education is important for all of us!
