September 27, 2021 Dear County Commissioner's Office, We are writing this letter to express our support for Discovery Lane School in their journey to becoming a non-public school. Our daughter has attended Discovery Lane since June 2019. Enrolling our daughter has been the best decision we have made. Discovery Lane is a well-rounded educational program, which allows kids to learn while having fun. This school is a diamond in the rough and a great asset to the Waldorf, Charles County and other surrounding areas. Over the course of 2 years, our child has improved in all areas as well as excelling in math and science. She is continuing to grow and is always super excited about learning. As parents, we want the best for our children and Discovery Lane is the best. The Anderson Family is rallying around the Discovery Lane Family to voice to the County Commissioner's Office how great an impact it will be to

our children to continue their education at Discovery Lane. Therefore, do not wait make the decision to make Discovery Lane a nonpublic Elementary today. It is the best decision for our children. We thank you for taking the time and listening to us. Best Regards, Michael Anderson and Erika Matthews
