Greetings Charles County Commissioners. I am speaking on behalf of Discovery Lane where I presently serve as an Educational Coach. As a retired teacher from the D.C. Public Schools (30 years), I know what an exceptional school looks like. Discovery Lane exemplifies quality teachers, administrative staff, and curriculum. The parents at Discovery Lane as well as parents on a list awaiting the space for their child to be enrolled are fully aware of DL's worth as a non public school in Waldorf Central. I have seen their excitement in terms of having other educational options for their children. There is one last step before we can declare DL as the first Non Public school in this area adding to the broadening and growth of this community. We, at Discovery Lane, are committed to exercising our best to our students, parents and community. "To much is given, much is required". We ask, commissioners, that you

will decide this day to act in favor of changing the zoning laws that will allow Discovery Lane to become a Non Public School in the Waldorf Central. Thank you in advance for your consideration.
