Dear Chairman Magoon and members of the Planning Commission:

During the 2016 Comprehensive Plan process the Planning Commission approved plan transmitted to the County Commissioners included a WCD zone that was well coordinated with the proposed Land Use Plan. Unfortunately, the County Commissioners at that time ignored the Planning Commission's recommendations adopting a WCD zone that created numerous conflicts with the Land Use Plan as demonstrated by this ZMA request. I urge the Planning Commission to support this request to bring this property into compliance with the 2016 Land Use Plan.

Sincerely,
Doug Meeker
