I am the parent of a 2-year-old child who is not yet eligible to be vaccinated. I am strongly in favor of maintaining a mask mandate at least through the winter months, in light of the upcoming holidays, emerging variant, and inability to do as many activities outdoors due to colder temperatures and earlier nights. I don't feel comfortable bringing my unvaccinated child into buildings where there are unvaccinated, unmasked guests. Any removal of the mask mandate fails to take I to account the vulnerabilities of the entire population.
