Please do NOT require face coverings! Let the people choose whether they want to wear a face covering or not when entering a business, church, etc. Many of our neighboring counties and states do not require face coverings. Charles county should NOT require face coverings! Continue to inform the public of the risk of Covid-19 and the effectiveness of the vaccines but please do not require face coverings any longer. The last time I checked, we still live in a free country where each person can make there own decision and decide what is best for themselves and their families. Let the individual person decide for themselves whether they want to wear a face covering or not when they are out in public.
