Forcing individuals to wear a mask is saying we are not intelligent enough to decide that for ourselves. Business will be, and has already been taken over to other counties and states. Get back to normal and stop forcing masks on people. I can go home to Massachusetts and not wear a mask anywhere and everyone is living their lives normally, you come back down here and it looks like a third world country. Your infrastructure is horrible enough that I have to deal with until we can move, let go of the forceable masking to make this awful area somewhat bearable.
