as a long time Charles County resident, I'm sickened by the leadership of our elected county officials, (Commissioner's), The damage your decisions will/have caused the residents, business owners, and especially the children of this county are immeasurable. I support vaccinations...I support booster shots, but I will not continue to support a MASK mandate, especially our children, the least susceptible amongst the population. I have 2-children in the school system and 30+ year educator in the county as my wife. You cannot DICTATE your way out of this situation..., you must LEAD us out. Thank you,
