I believe it is an over reach and abuse of your position as Commissioner if you vote to give yourself the authority as "The Health Department" to dictate mask mandates. You are NOT the Health Department!!! You know you don't have the authority to do the mandates and will lose in the Courts so now your trying to change the law to suit your personal agenda! You want to change the law? Put it on the next election ballet for the citizens of Charles County to vote on!!
