I am a st marys county resident, I often shop in Charles and st marys county. I am fully vaccinated and believe I and others residents should have a choice in wearing our masks. At the very least these businesses should have a choice. I also go to church in Charles county. I don't like that my children have to wear masks not only at school, but at Sunday school and while practicing for their church Christmas play. It's not only difficult for the kids but it's also hard for them to practice their lines and singing. The people I am around at church are people that are also in my home as well as I am in theirs. All in all I just feel that wearing a mask should be a choice and not a mandate.
