It should be people's choice to wear a mask or not wear a mask. It's ridiculous. Everyone should be able to decide what's best for them. I've been vaccinated and I'm not worried about the person standing next to me. It's simple....stay home when you're sick, wash your hands and don't cough and sneeze on people (give people their personal space) Covid has been around and will be around moving forward. We need to live!
