I am totally against mandatory face coverings for stores, churches, public places, schools, or anywhere else. I believe it is an individual's right to decide for themselves whether or not they want to cover their face. I do not appreciate how the commissioners have repeatedly refused to listen to my friends, family, and many people of Charles County and have instead pursued their own agenda above the wishes of the people of our county. I would like to see all the mask mandates and requirements in Charles county be revoked and the voice be left to individuals.
