If this mask mandate is put into effect I will NOT walk into any place of business in Charles County! I will go to St Marys or Virginia. This is absolutely ridiculous and nothing but an abuse of power! There are multiple vaccines available and if people are SO scared of this virus then I suggest they get vaccinated! If people wish to still wear their masks then by all means they have the right to. But do not take MY right away from me to choose not to ad a fully vaccinated individual. If this mask nonsense continues I will not only spend my money in other jurisdictions but I will be certain to vote AGAINST every commissioner in power right now as I'm sure many others will too. For once, listen to your constituents!!!
