Comments:

Inquiry 1 - 12/3/2021: Abdicating decisions to Dr. Abney is completely wrong. YOU were elected, not her! Charles County does not need a singular, unelected health czar making the decisions for everyone. And she's a pediatrician. I cannot believe you're giving complete health authority about masks to a pediatrician. Unacceptable!

Inquiry 2 - 12/4/2021: When in doubt, ERR ON THE SIDE OF FREEDOM! Give the residents of this county the choice on whether or not to wear masks! I can't believe this is even a discussion.
