We were told if we vaccinated we were not going to have to wear mask. Now that has turned into mask mandate. Dr. Fauchi himself along with president Biden and the likes of Nadler and Pelosi have several times been seen with out masks. The people making the rules don't even follow the rules. So how do we or how are we to respect the rule when the people making then don't follow them or exempt themselves from them it. I am a heavy no on this law
