I'm not sure what made you people think that you are medical professionals or that you're in charge of my health and my body but YOU ARE NOT! I will not wear a mask unless I choose to and I have no problem going to other counties or states where democrats do not rule and giving them my business because I've been doing that since early this year. Since you've chosen to ignore the truth about herd immunity and natural immunity (even though there is a ton of proof of it) and listen to idiots like Biden, Fauci and the CDC, you have proven yourselves incapable of governing so you will NOT tell me what to do in my body! Many people got 3 shots, wore masks, social distanced and many of those people still died which proves that you're listening to idiots, denying the science and should not be governing anyone! I had the Wuhan virus for 3 weeks and I took no medications for it and my body handled it. I now have better antibodies than the vaccine could give. So, we're at this point again like we were with the "exit tax". We told you HELL NO but you did it anyway! It's time you listened to the people and get rid of the "exit tax" NOW and DO NOT even try to make masks mandatory because most of us are done with your gestapo attitudes!
