End mask mandates! People are capable of making their own decisions about their health and don't appreciate the freedoms of tax-paying citizens being intruded on while there is NO southern border. Whatever happened to 'my body, my choice'? Is that only for ONE particular party? STUPID!!! I also find it interesting that it's taken the courts this long to hear this case but has put tenants out on the street in a matter of weeks. We have NO confidence in our elected officials anymore, so incompetent. You are on OUR payroll. Buck up and do your job!
