U am so sad, and infuriated, that I live AND own a small business in Charles County. The government over reach and the feeling that these commissioners know better than me and my Healthcare team in regards to the CHOICE whether or not to mask is not only wrong but has angered me. You do not live in my home nor know anything about ME or MY health personally. How dare you assume that you know what's best for the citizens of Charles County. Citizens that, unfortunately, elected you AND pay your salary. The metrics do NOT match the 'mandates.' It saddens me to think of all the money being lost by Charles County businesses...small, family owned businesses that are being driven out of business by EACH ONE OF YOU and your tyrannical rule over us. I have not shopped IN MY OWN COUNTY for months. If one does not feel safe to shop or return to work...stay home...your CHOICE. Although this is not the America the I grew up in and members of my family fought for...it is still America. For now, we still have RIGHTS. Thank you, commissioners, for pushing me out of my comfort zone, to have my voice heard, and to stand up for my GOD GIVEN rights. Please stop with these tyrannical and flat out WRONG mandates. Listen to your constituents and bring this county TOGETHER instead of constantly dividing us.
