The numbers no longer support mask mandates. A law with fines is tyranny. If passes my family along with many others we know of will no longer support Charles County businesses and will move. Prior to moving we will be sure next election period to push hard to have everyone removed from office. This administration has been outrageously wrong and in no way has listened to their public's wants/needs. Maryland is no longer under a state of emergency. Vaccine rates are high. Where's the science?
