Dear Commissioners: I am opposed to the adoption of Resolution 2021-21 as a Health Ordinance in Charles County. I am disturbed and disappointed to see the continued use of county resources directed toward the imposition of masks on private citizens. I live in St. Mary's County but attend church in Charles County. The graph of the disease has been similar in my county compared to Charles County and we have been unmasked for months with no significant increase. This back-and-forth with masks in Charles county is causing confusion and division in our church to the point where I prefer not to go to church in Charles County or shop there. There is much disagreement among experts, doctors, and scientist about the efficacy of masks and I don't want to debate that but at some point we have to agree that COVID-19 is endemic and need to go back to normal lives. Sincerely, Carol Vallandingham 23610 Bayside Rd Leonardtown, MD 20650
