Please. I can't take it anymore. If YOU want to wear a mask, then wear one. But don't make me wear one when I've been vaccinated. I need to live my life. The damage that the mask has done to my psyche over the course of these two years has almost led me to check out of this life. I consider myself strong as well, I can't imagine what this has done to other people. It's time. Let it go. Please.
