I live in Charles County but work in St. Mary's county where there is no mask mandate. St. Mary's county does not have a massive outbreak of COVID even though they are not forced to wear a mask. If people want to wear them they do, if not they don't. Mask mandates are used to continue public panic and only serve those in power who wish to promote Totalitarian control. I am letting my voice be heard when I say "DO NOT institute a law that would mandate masks."
