I'm not even a Charles Cty resident but I just had to come to comment on how crazy this mandate is. Newsflash: MASKS are NOT affective in preventing COVID!!! This will ultimately hurt more businesses as many people are seeking establishments that offer the OPTION to wear masks. People are DONE with masks that don't work. There's too many independent studies, to even count, on that prove masks don't work. Half of the population isn't even wearing them correctly, if at all. The general COVID narrative is falling apart. Don't you see it? More variants will come, just to push the vax. People have woken all the way up! It's time for more. Many people have lost trust in this entire government and corruption. Masks do nothing except attempt to "muzzle" and silence us.
