I am against the requirement for people to use face masks. If a person wants to use or feels more comfortable wearing a face mask the have the option to do so. Please do not make it a requirement for all of us to use face masks. I have a breathing disorder and am not comfortable with a mask on. If I choose to take the risk to my health that is on me. This is my choice and anyone who wants to wear the mask is welcome to. Please stop this madness and do NOT make masks required. Why would you make this a requirement for me to wear a mask and allow me to take it off at a restaurant table to eat, while others walk by with masks to get to their table and not allow the same type of people passing each other in a store? I DO NOT WANT TO BE REQUIRED TO WEAR A FACE MASK!!!!!!!!
