Commissioners, enough is enough. I for one am sick and tired of wearing a mask that has not been proven to stop the spread of Covid. If one wants to wear a mask, I have no problem but to force those of us who don't want to is over reaching your authority. We need to get back to normal and walking around with these masks is not doing that and is making people live in fear. Please listen to the people and don't make this a law. Respectfully, Lisa Boisvert
